

The Red Practice

Crieff Medical Centre

GP Partner or salaried GP to join our friendly and hardworking team

4-6 sessions per week

Flexible start date

We are looking to appoint a motivated and enthusiastic Partner or Salaried GP to work between 4-6 sessions per week.

We are a friendly training practice based in a semi-rural area in the heart of Strathearn. Crieff has beautiful rural surroundings and has easy access to Perth, Dundee, Edinburgh and Glasgow. There is a wide diversity of housing, good local schools, excellent recreational facilities and fantastic opportunities for outdoor activities

- Five partners (three and a half full time equivalents)
- Golden Hello
- List size 4200, low deprivation
- Modern purpose built premises (PFI) which are shared with another practice. No buy in
- Long established training and teaching practice currently with ST3 in practice
- Excellent Practice Nursing Team (both non-medical prescribers and one completed ANP training), Practice Pharmacist, Community Nursing and Health Visiting Team based within our building and access to Physiotherapy, Occupational Therapy, Podiatry and Community Mental Health within our adjacent Community Hospital
- First Contact Physio, Primary Care Mental Health Nurse, Advanced Nurse Practitioner team – for assistance with urgent home visits, Community Care and Treatment Service currently expanding services and established Pharmacotherapy service
- Paperlight practice using Vision and Docman
- Equal parity from the start with 18 month mutual assessment period

For further information or to arrange an informal visit to the practice then please contact:
Cathie McKay, Practice Manager on 01764 652456 or Cathie.mckay@nhs.scot

Application by CV and covering letter to:

Cathie McKay, Practice Manager, Red Practice, Crieff Medical Centre, King Street, Crieff, PH7 3SA or by email to Cathie.mckay@nhs.scot
